### **WATER PROVIDER(S):**

#### **Davidson Water, Inc.**

Ron Sink, President  
(336) 731-5525 office

### **Fees:**

3/4" tap and meter fee is \$1,750.00

1" tap and meter fee is \$3,700.00

1-1/2" tap and meter fee is \$7,350.00

2" tap and meter fee is \$9,750.00

\*All new accounts require a separate \$50.00 membership fee. This amount is included in the connection fee above.

### **Rates:**

0-2,000 gallons	\$13.00
2,001-10,000	\$4.40
10,001-50,000	\$5.00
Over-50,000	\$4.50

\*Rate per thousand gallons except for minimum, and includes Water Loss Protection Plan

A minimum monthly bill is \$13.00 and includes up to 2,000 gallons of water. Take a monthly reading of 6,000 gallons as an example. Notice that at 6,000 gallons you are in the 2,001-10,000 bracket where after 2,000 gallons, water is only \$4.40 per thousand gallons. First you take the minimum bill rate, then take \$4.40 and multiply it times 4 (which is how many thousand gallons you are over 2,000 gallons) which gives you \$17.60. Finally add the two figures together (\$17.60 + \$13.00) and you have your monthly water bill, in this case it would be \$30.60.

### **Structured Minimum Bills**
